This seminar covers required training for Supervisors with Drug/Alcohol programs in their companies. CFR Parts 40 and 382. Applicable for Safety Managers.

Designated Employer Representative Seminar

This seminar covers the responsibilities of the Designated Employer Representative for motor carrier companies. You are required by DOT to have a DER in your company. Applicable for Safety Managers and Administration.

NATMI – Fleet Safety Certification Courses

Motor Fleet Safety Basics – this 2-day "Fleet Safety 101" program is designed to provide training on effective implementation of safety-related policies and procedures. This course is designed for line-level safety supervisors with emphasis on what they need to do and when and how to do it.

Managing Motor Fleet Safety Programs – this 2-day course is designed to provide transportation safety directors and prospective safety directors with the vision and skills that they need to manage an effective safety program. This course is designed with role-playing and case-based scenarios.

Certification Exam – this 1-day is the certification exam for CSS (Supervisor) or CDS (Director). In addition to the course work, job experience is required.
