The 5 things you'll learn at Pinnacol events in 2023

What are your priorities for 2023? Whether you're trying to get organized, learn a new skill or spend less money, Pinnacol has the right training for you. Our Safety Team offers over 10 different training sessions to help you keep your employees safe, prepared and compliant throughout the year.

Here are five things you can learn when you register for a Pinnacol training session:

- Working from heights with confidence
- OSHA Standards - en Español
- How to stay safe in tight spaces
- Get EM-385 certified to work with government agencies
- Hitting the LOTO - Understanding lockout/tagout

Nearly all of these courses are conveniently hosted at our campus in Denver, and you'll save money with our early bird discount!
