

COLORADO MOTOR CARRIERS ASSOCIATION SAFETY GROUP TRAINING

Defensive Driving Principles Ryan Byers, Front Range Compliance

Learn the meaning of Defensive Driving. Improve your ability to recognize hazards, anticipate actions, and react to various driving scenarios with the goal of reducing accidents. This seminar is recommended for all drivers.

Situational Awareness Michael Hayden, Pinnacol Assurance

Discover how to practice situational awareness to create habits for your brain to detect hazards and identify safer options. During this program, participants will:

- Define situational awareness
- Complete situational awareness exercises
- Discuss how to identify your surroundings to prevent hazards from becoming an emergency.

BOTH COURSES ARE APPROVED FOR PINNACOL SAFETY GROUP CREDITS
