## Values Drive Performance

Shared Values Can Lead to Organizational Excellence

**We understand you are in business to make a profit.** Our Value-Driven® Company modules can help you reduce losses and increase profits by focusing on influencing employee behavior, changing culture, improving communication, and managing risk successfully.

**We believe it is everyone's job to do what they can to prevent losses.** We have developed a variety of training tools to help get all employees involved in safety. From seminars and webinars to Self-Service e-Tools and FAQs, we have solutions to fit your operations.

**We see "Critical Crashes" as a risk to your company.** Our Value-Driven® Driving program focuses on helping drivers do what they can to prevent these types of accidents: rear-end, loss of control, lane change, and run under. All of our driver training programs are FREE to our insureds and can be accessed 24/7 on Great West's Online Learning Library.

**GREAT WEST CASUALTY COMPANY** – No matter where the road takes you, you will discover that at Great West, *The Difference is Service®*.
